Welcome Students,

With safety at the forefront of our mind, Campus Safety would like to encourage you to download the Barton Guardian, a free mobile app that turns your smartphone into a personal safety device.

By downloading the app on your mobile phone, you can invite friends and family to join your network as your "Guardians." You can then request one or more of your Guardians to virtually walk with you on or off campus. It's like having an emergency blue light system and a trusted friend with you at all times.

The app also has a safety feature that directly connects you to Campus Safety (or 911 on/off-campus) in an emergency situation, as well as the ability to submit an anonymous tip to Campus Safety should you see something suspicious.

On behalf of Barton's Campus Safety Department, we encourage all students, faculty and staff to enhance their personal safety and the safety of their friends by downloading the free app. Simply search "Rave Guardian" in the app store on your mobile device.

If you have any questions or run into any issues downloading the app, please visit http://bartonccc.edu/campussafety , click on the link for Barton Guardian, or contact Campus Safety (620-792-9217).

Over the next couple of weeks, I will be showing you some special features of the Guardian.

Know your Campus Safety Officers:

This week's safety officer is Joe. Joe has worked for Barton for 11 ½ years. Joe has one son, Seth. He loves serving God, spending time with his son and his family. Joe is a Navy veteran. His hobbies include working out, swimming, watching sports, especially Ninja Warrior, Chiefs and Jayhawks and Navy Football games.

Lucas is the Lead Officer for Campus Safety at Barton. He has been at Barton for three and a half years. He usually works the weekday shift. He is married and has two little girls. His hobbies are taking care of his animals (which include over 75 chickens!) and working in his 70' by 20' greenhouse. Make sure you tell him hello when you see him walking around!

Have a great week.

Lucas Stoelting
Campus Safety
Lead Officer

Campus safety takes all of us.

Do your part and download Rave Guardian.
