The National Science Foundation's Robert Noyce Scholarship Program is a collaboration between teacher education, physics, geosciences, chemistry, biology, and mathematics and is designed to increase the supply of highly qualified middle and high school science and mathematics teachers.

The Noyce Scholarship Program at Fort Hays State University offers two levels of support for prospective teachers.

- The Noyce Teacher-Leader Program provides financial support for juniors and seniors majoring in mathematics or a science field who are pursuing a teaching career.

\$13,000 scholarship each.

DEADLINE: Feb. 15, 2019.

- The Noyce Summer Scholar Program provides paid opportunities for students to experience teaching science and mathematics in informal settings such as camps and outreach programs prior to formally pursuing a career in teaching. \$2,750 stipend each.

DEADLINE: Feb. 15, 2019.
