China, Hong Kong SAR	Guinea-Bissau	Micronesia	Sao Tome and Principe	Venezuela
China, Macao SAR	Guyana	Mongolia	Senegal	Vietnam
Colombia	Haiti	Morocco	Sierra Leone	Yemen
Comoros	Honduras	Mozambique	Singapore	Zambia
				Zimbabwe

If the answers to the above questions are "NO" - no further testing or action is required.

If the answer is "YES" to ANY of the above questions, it is your responsibility to complete the following:

1. Receive a completed Tuberculosis Risk Assessment which includes TB testing (may be completed at BCC Student Health, local health Departments or physician/health clinics within the United States). TB Testing, Chest X-Ray or QuantiFERON testing completed outside the United States will not be accepted.

2. Complete any further testing/exams if the TB Skin Test is Positive.

The assessment form may be downloaded from (<https://www.bartonccc.edu/studentlife/health>). Military personnel/family members will use the DoD Immunization Record to document the results of the testing and outcome of positive results.

A hold will be placed on your enrollment to all in-person classes until the signed risk assessment has been provided. Return the Risk Assessment form to Student Health or Fort Riley Admissions prior to start of classes.
