A Conversation - True Stories of Suicide & How to Help Survivors in the Aftermath

Presented by Michele Hansen (LPC, LMAC) and Jim Yoder (Wichita Support Group Facilitator). Both presenters have experienced the loss of a loved one to suicide. They each share their stories and how they learned to pick up the pieces of their life again through a special type of group therapy. Michele is a therapist and lifelong educator. Jim is the Facilitator of the Wichita area's only SOS (Survivors of Suicide Loss) group. Together, they hope to leave the audience with facts, practical therapeutic interventions and hands on activities that may assist while helping individuals and families overcome the devastating effects of suicide.

A suicide loss tribute performance by the Barton Dance Team will precede the presentation
