# Barton Services & Regional Locations

## 2024

*Dean, Military Academics, Technical Education and Outreach Programs, Kurtis Teal*  
*Dean, Workforce Training & Community Education Division, Dr. Kathy Kottas*

## END 6 Barton Services & Regional Locations

The College Mission will be supported by the strategic development of Barton service and regional locations

1. Services and locations will be compatible to the institutional mission of the College
2. Services and locations will be in accordance to available resources
3. Services and locations will maximize revenues and minimize expenses
4. Services and locations will generate revenue to meet their locational expenses
5. Services and locations will compliment growth of student learning services

# END 6 Barton Services & Regional Locations

## END 6 Barton Services & Regional Locations

### What partnerships/collaborations are associated with these locations and the Barton County Campus or with each other?

- Fort Riley & Fort Leavenworth Campuses
  - Maintaining a solid working relationship with our Education Service Center and Military Schools representatives
  - Regular collaborations with the Barton County Campus Admissions, Business Office, and Advising teams to provide equivalent services to our students
  - Program directors at each Fort work together on scheduling and use of faculty and search out Great Bend faculty for LSEC and CP classes; this partnership increases class offerings and reduces faculty hiring requirements
  - Biannual collaboration with the Executive Director of Institutional Advancement to present information on Foundation Scholarships and Scholarship Universe at our joint PTK meetings
  - Collaborate and partner with Barton County Campus staff/departments to deliver coursework on both military installations
- Grandview Plaza Campus
  - Regular collaboration with the National Partnership of Environmental Technology Education (NPETE) and the Community College Consortium for Health and Safety Training (CCCHST)
  - Monthly collaboration with the other director members of the Great Plains OSHA Education Center (GPOEC) Consortium
  - OSHA director provides faculty to facilitate OSHA 10 classes for Great Bend students
  - EMHS, HZMT, and OSHA programs have robust/active Advisory Boards
- WTCE
  - All areas have representation on our Advisory Boards for specific programs

## END 6 Barton Services & Regional Locations

### What achievements have occurred this past year at the identified regional locations?

- Fort Riley Campus
  - Consolidated service locations resulting in a reduction to overhead costs to the College
  - Provided subject matter assistance in the recent submissions of the DoD Compliance Audit and provided feedback/assistance in the revision of College policies related to the audit
- Grandview Plaza Campus
  - Selected to host the IBSMART (Institute for Basic Spill Management and Response Training (IBSMART)) training for health and safety trainers from across the U.S. in April of 2024, James Henderson was the master trainer for this event
  - Secured a 5 year contract to be the sole provider of HHW training for the State of Kansas this year
- Fort Leavenworth Campus
  - Increased advertising to include a banner at the post movie theater, an advertisement before each movie plays, and a short advertisement on 11 self-checkout display screens at the post Commissary
  - Requested by the Army Corrections Brigade to staff a service provider table to provide information about Barton's programs to military service members/families at the Griffin Family Wellness Day
  - Staff attend all new-comer briefings to speak with service members, DoD employees, and family members that recently arrived on Fort Leavenworth
- WTCE
  - Receive approval from Fort Riley officials to add Healthcare programming to the Memorandum of Agreement for programming offered on Fort Riley

## END 6 Barton Services & Regional Locations

### What opportunities/plans are in discussion/process at the identified regional locations?

- Fort Riley Campus
  - Scheduling of the annual combined graduation ceremony from once a year to twice a year (Fall and Spring)
  - Movement of the graduation ceremony from an off the installation location to a location on post
  - Continually looking for opportunities to increase opportunities for the MOST program
- Grandview Plaza Campus
  - PETE HWWT Grant renewal
  - Looking for and discussing ways to expand our non-credit B&I clientele
- Fort Leavenworth Campus
  - Relocation of Education Service and all servicing colleges to a different building
- WTCE
  - Continue to look for ways to expand and partner with regional locations
  - Plan to offer Scales Technician program at Grandview Plaza location, Fall 2024

## END 6 Barton Services & Regional Locations

### Are there any challenges to address?

- Fort Riley Campus
  - Three year decline in Academic program enrollments (2021=2,864; 2022=2,486; 2023=2,364)
  - One year decline in MLTR class enrollments (2021=2,067; 2022=2,908; 2023=2,291)
  - Lack of OER Certified courses at the Barton County Campus to supplement our LSEC and CP offerings
  - Inefficient layout of the Fort Riley Student Services Office and a lack of budgetary resources to make improvements
- Grandview Plaza Campus
  - Declining enrollment in the EMHS program
  - Slow response time to some building repair/improvement related issues
- Fort Leavenworth Campus
  - Three year decline in enrollments (2021=1,345; 2022=1,167; 2023=944)
  - Retention of students needing extra academic support (academic coaching, academic advising, tutoring, etc.)
  - Inability/resistance in connecting with USD 207 to inform them on how Barton can support students and faculty to promote dual enrollment for HS students
- WTCE
  - Out-district approvals for delivery of CTE programs
