

Meeting of the Board of Trustees
Barton County Community College

January 15, 2008

JUNCTION CITY LEASE AGREEMENT

Detail: Barton has operated a site in Junction City for over 20 years. The facility that the College is currently leasing no longer meets the needs of the current programs that are offered and administered out of the facility. In addition, the current facility does not have enough space for future expansion of our programs. A facility has been identified and the Administration has been working with the property owners.

Recommendation: It is recommended that the Board approves the Administration to draft a letter of intent with RSV & Bramlage Investments, Junction City. Final lease approval will be subject to Board approval once it is reviewed by legal counsel.
