**BOARD SIGNATURES FOR BANKING AUTHORIZATIONS**

**Detail:** The banking institutions that handle all College banking activities which include accounts payable, payroll and cash receipts require signatures of the Board Chairperson, Secretary and Treasurer. Following last month's election of Board officers for 2009-2010, the College needs to secure these signatures as required.

**Recommendation:** It is recommended that the Board authorizes Chairman Paul Maneth, Secretary John Moshier and Treasurer Mark Dean to sign signature authorizations for use in the banking operations of the College.
