

Meeting of the Board of Trustees
Barton Community College

January 28, 2013

Northwest Physical Education, Science & Math, and Technical Parking Lot Replacements

Detail: The proposals below are for the replacement of the Northwest Physical Education parking lot, the Science & Math parking lot, and the Technical Building parking lot. All three parking lots are in need of replacement. The engineering firm of Evans Bierly & Hutchinson surveyed all three lots and DMA Architects developed the specifications for the replacement work. Competitive requests for proposals were solicited (direct mail in addition to the plan room).

The following were the results of the requests for proposals:

Bidder	Northwest Physical Education	Technical Building	Science & Math	Total
Concrete Services	\$217,858.00	\$173,168.00	\$118,570.00	\$509,596.00
Suchy Construction	\$230,150.44	\$179,245.36	\$135,780.96	\$545,176.76
Eakin Enterprises	\$230,186.00	\$175,696.00	\$131,115.00	\$536,997.00

Recommendation: It is recommended that the Board of Trustees accept the low local bid from Concrete Services, in the amount of \$509,596.

Action: Dean of Administration
