Student Services Survey Fall 2024

"After taking 12 years off of school, I am really enjoying my Barton classes."

"I have been extremely impressed with Barton. All of the instructors I have had have been highly qualified, interactive with students, and more than willing to be of assistance when needed. I've been pleasantly surprised with the amount of interaction I have been able to have with fellow classmates in online courses. I am very glad classmate interaction is something that Barton promotes during coursework – even when fully online."

"I would not have been able to pursue my academic and career goals without Barton."

610 respondents so far

- *"I have truly enjoyed my time at Barton."*
- *"I really liked the way they helped me and how they guided/explained things that I as a first person to go to college in my family would not have known."*
- *"I enjoyed this experience and am excited for the next chapter. Thank you for being part of my career."*
- *I greatly enjoyed my time at Fort Leavenworth and I am proud to always be a Cougar."*
- *"Great college and great people."*
- *"I enjoyed attending Barton the past two years. It brought me a great start into my college career, and I could not be more grateful for the experience Barton has provided."*
- *"I really didn't think I was a fit to go to college. Barton made me feel comfortable and welcomed, giving me the confidence that I can go further in my educational journey."*
- *Six months before attending Barton, I was a high school dropout. After completing the Adult Diploma Program, I started at Barton unsure of where it would take me. Thanks to Barton, I am now moving forward with a degree and looking forward to earning a Master's degree in a field I am passionate about. I am incredibly thankful for this school and all the staff members who helped me along the way."*

- *"Mrs. Fullen is the best teacher I have ever had. She always interacted with students, had a class schedule, and knew what she was talking about. She is available to ask for advice, and you will always get an answer for your situation, not a generic answer."*
- *"She always believed in me, even when I didn't believe in myself."*
- *"Professor Jess Fullen always made our class feel safe and included. She made me realize how important it is for a professor to set the tone for a class. Most of the students were cheerful and more involved than I've seen in other classes."*
