# Board of Trustees Barton County Community College August 26, 2025 Board Meeting Published Budget

The cover page of the published budget is below. The proposed published budget includes a reduction in the mill levy by 1.512 mills. This rate is revenue neutral (no additional tax revenue) depending on the final certified valuation. The County's estimated valuation increased this past year (Approximately \$18,616,657 – minus RHID) mainly due to increases in real estate, personal property, and utilities. The mill levy request is based on the valuation number provided by the County on June 20, 2024.

**Recommendation:** Approve the published budget as presented.
