**LEADERSHIP  
INSTITUTE**

## What is Barton Leadership Institute?

Barton Leadership Institute gives participants the opportunity to focus on and grow their individual leadership styles and philosophies while broadening their awareness of the institution, its mission, and its leaders.

Participants will:

- Complete an in-depth study of their personal strengths.
- Spend one day each month interacting with and learning from a variety of presenters on topics pertinent to leadership in higher education.
  - (Internal and external speakers)
- Meet with each member of president's staff to learn about their various responsibilities and leadership styles and shadow a member of president's staff.
- Attend a board meeting, study session, and graduation of their choosing.
- Form meaningful connections with participants from across the institution.

Began in the 2016 – 2017 academic year.  
The alumni network now totals 62 alumni  
with only  
4 retirements and 6 resignations.  
84% employee retention rate.
