Barton Services & Regional Locations

2026

Dr. Kathy Kottas - Dean, Workforce Training & Community Education Division
Jared Hall- Dean, Military Academics, Technical Education, and Outreach Programs

END 6 Barton Services & Regional Locations

The College Mission will be supported by the strategic development of Barton service area and regional locations

1. Service area and regional locations will be compatible to the institutional mission of the College.
2. Service area and regional locations will be in accordance to available resources.
3. Service area and regional locations will operate efficiently to maximize revenues and minimize expenses.
4. Service area and regional locations will provide appropriate levels of student learning services based on enrollment.
