SUMMER CAMPS 2026

[HTTPS://WWW.BARTONCCC.EDU/NEWS/SUMMER-CAMPS-26](https://www.bartonccc.edu/news/summer-camps-26)

A poster for Barton Community College's Cyber Camp. The background is dark green with white line-art illustrations of students working at computers and a teacher at a whiteboard. The text is in white and yellow. At the top, it says 'BARTON COMMUNITY COLLEGE'. Below that, 'CYBER CAMP' is written in large, bold, yellow letters. Underneath, it says '- FOR INCOMING 6TH, 7TH, AND 8TH GRADERS!'. The main text describes the camp as a free hands-on experience where students explore cybersecurity through activities like decoding cipher disk messages, using a 'Pringles Enigma', sending Morse Code with micro:bits, and tackling Capture the Flag challenges. At the bottom, it lists partners 'SOFT WARFARE' and 'Enterprise EKC' and states 'No Cost! This Free Camp is being sponsored by a grant for Summer 2026.'

CYBER CAMP

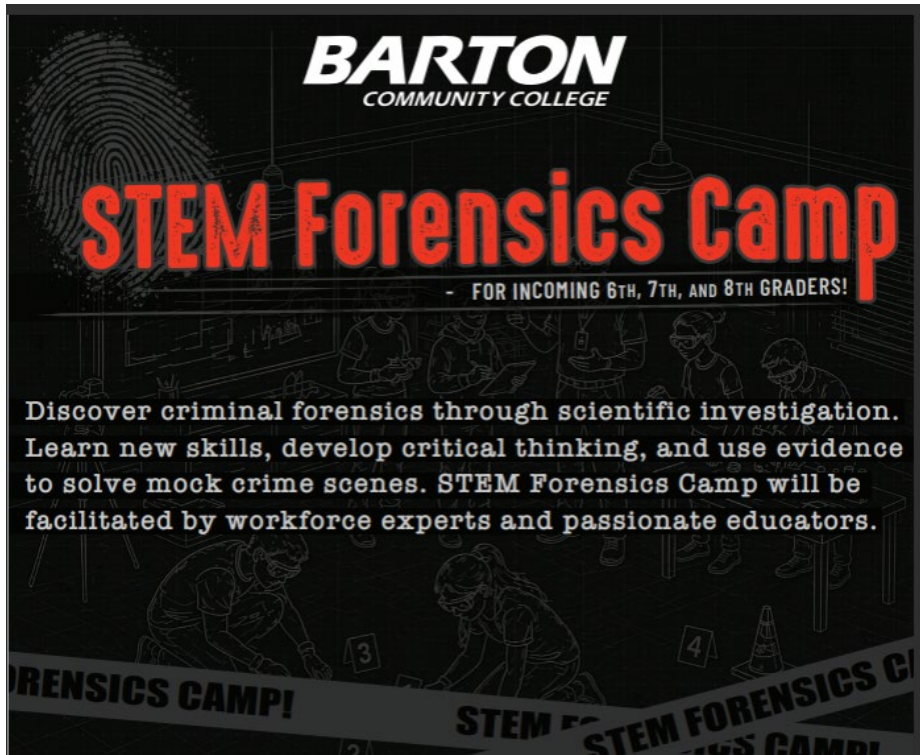

- FOR INCOMING 6TH, 7TH, AND 8TH GRADERS!

Join our **FREE** hands-on **Cyber Camp** where students explore cybersecurity through interactive activities like decoding cipher disk messages, using a "Pringles Enigma," sending Morse Code with micro:bits, and tackling beginner-friendly Capture the Flag challenges all designed to build curiosity and digital problem-solving skills.

IN PARTNERSHIP WITH:

SOFT AND **Enterprise EKC**
WARFARE

No Cost! This Free Camp is being sponsored by a grant for Summer 2026.

A poster for Barton Community College's STEM Forensics Camp. The background is dark grey with white line-art illustrations of students in a forensic lab setting, including a fingerprint, a microscope, and evidence markers. The text is in white and red. At the top, it says 'BARTON COMMUNITY COLLEGE'. Below that, 'STEM Forensics Camp' is written in large, bold, red letters. Underneath, it says '- FOR INCOMING 6TH, 7TH, AND 8TH GRADERS!'. The main text describes the camp as a discovery of criminal forensics through scientific investigation, where students learn new skills, develop critical thinking, and use evidence to solve mock crime scenes. At the bottom, it says 'STEM FORENSICS CAMP!' in a banner.

COMMUNITY COLLEGE

**COUGAR
STAGE CAMP**

FOR INCOMING 6TH, 7TH, AND 8TH GRADERS!

Join Barton Theatre students for a hands-on **Stage Camp** where participants help create, rehearse, and perform an original one-act play. Campers will learn acting, stage direction, and set design from Barton students and faculty, culminating in a final one act performance written by instructor Jack Greenwood.

The poster features a blue background with a marquee sign at the top. Below the sign, there are faint line drawings of people on a stage, some holding scripts and others in various poses, suggesting a theatrical performance.
