Detail: The Barton Community College Board of Trustees approved the naming contract for the Kirkman weight room at the January 26, 2016 Board meeting. The Board approved the name of:

The naming of the facility has been extended twice, and the current term is through 2037. Kip and Kelly Spray have recently donated an additional \$119,000 to the athletic department and would like to extend the term of the original contract by 10 years 2047.
