# BIG CHANGES

OF OUR 14 SERVICE AREA PARTNERS,

**ONE** school did not change their start date.

RESCHEDULED ALL CLASSES HAPPENING AT  
THE HIGH SCHOOLS:

- HIGH SCHOOL TEACHERS
- TRAVELING COLLEGE TEACHERS
- PARTNERED ONLINE

## ONLINE APPLICATION & ENROLLMENT

With later high school start dates, this allowed enrollment to start before students arrived in buildings.

# STUDENT- CENTERED CHANGES

## **Boost Scholarship Changes**

- Need-based scholarship previously based on free/reduced eligibility only
- Now based on TRIO Federal Income guidelines
- Hope to qualify more students for the scholarship

# PARTNER- CENTERED CHANGES

## **Communication**

- Some schools narrowed the communication - designated a point of contact.
- Other schools have included more contacts to help spread out the assistance.
