# Old Bill Honorarium

## **Marian DeWerff**

Marian served on the Barton Community College Foundation Board of Directors from 2013 to 2019, lending her voice, energy, and insight to the Foundation's mission. Known for her vibrant personality and boundless compassion, Marian is deeply guided by her faith. She believes her purpose on earth is to care for others, sharing, as she puts it, the blessings God pours into her by helping those around her.

Marian hopes the Old Bill Honorarium will continue the cycle of giving she has embraced throughout her life. For her, this honor is another way to give back. "You are not given so you can have, you're given so that you can share," she said. "I've been blessed beyond measure, and I want to make sure others get the same chance."

*Many thanks to our event Underwriters!*

These companies help us raise funds by underwriting the expenses of tonight - we truly wouldn't be able to host this event without our sponsors.
